Dear James:

We finally made the "sheet" with news of the Warren County effort for Herald of Truth. There is no way to properly evaluate the good that will be done through supporting the program over Radio Scotland. I am troubled at the failure of the Highland people to respond properly to your efforts. In the final analysis, however, we both know why you worked as you did and that the reward after all is not determined by human response or a lack of the same.

I will continue to treasure your advice, and I ask you to feel free to make any suggestions at any time.

Your brother,

John Allen Chalk
